Feel the power.
Feel the handling.

Feel a new level of comfort in an entirely new class of vehicle.
The L200 is all truck and all car and will change the way you think about getting from one place to another.
Travel comfortably in the L200 Double Cab, which offers class-leading space and leg-stretching relaxation.

Travel comfortably in the L200 Double Cab, which offers class-leading space and leg-stretching relaxation. Enhanced high-quality seating, including newly designed front seats, raises driving pleasure for all occupants. Strategically placed sound insulation and vibration damping material further contribute to a quiet, comfortable ride. Everything you need, including convenient storage features, is here to ensure a pleasurable journey.

### Functional Features

- Smartphone Link Display Audio
- USB Ports & HDMI Connectivity
- Tilt and Telescopic Steering
- Electric Folding Door Mirrors
- Cruise Control & Bluetooth Connectivity
- Rear View Camera

### Class-leading Space and Comfort

- Re-designed front seats
- Class-leading cabin length
- Wide Shoulder Support
- Stable Body Hugging Fit
- Greater Side Support
- Enhanced Leg Support
- Deep Centre Trim

Note: Equipment may vary by model. Please contact your local dealer.
**Best in class technology**

430Nm

2.4-litre MIVEC* 16-valve Intercooled Turbocharged DOHC Common Rail DI-D High Power

The MIVEC diesel engine dramatically raises fuel efficiency and lowers CO2 emissions while delivering powerful response with 133kW (3500rpm) output and 430Nm (2500rpm) of torque.

2.4-litre turbo diesel engine

Thanks to a lightweight all-aluminium alloy engine block and precision common rail direct injection system, this engine delivers remarkable fuel efficiency, low CO2 emissions and powerful response with the spirited output and robust torque you need for serious work and play.

The variable-geometry turbocharger features less rotational moment of inertia of the compressor and turbine to produce gutsier low-rev torque and smoother high-rev response. An intercooler optimally cools the air to further improve combustion efficiency.

---

**ETACS (Electronic Time & Alarm Control System)**

- **Power Window Timer**
  - Even after shutting off the engine, the power windows can be opened or closed for 30 seconds before opening the door.

- **Auto Door Relock System**
  - Within 30 seconds of pressing the unlock button from outside the car, this system will automatically relock all the doors if none have been opened.

- **Headlamp Auto Off Function**
  - After switching off the ignition and stepping out of the car, the headlamps automatically turn off to help conserve battery power.

- **Auto Speed Adjustable Wipers**
  - In the Timing mode, the window wipers operate faster at higher vehicle speeds.

---

**Rigid Lightweight Body**

The body is extremely sturdy and lightweight, thanks to the generous use of high tensile strength steel plates that also contribute to a high level of collision safety.

---

**6-Speed Manual Transmission**

Six manual speeds give you total control of power delivery to match driving conditions. The solid stick shift with shorter, more satisfying shift stroke combines with somewhat lighter clutch control for easier operation. An overall wider ratio also enhances fuel efficiency.

**5-Speed Automatic Transmission with Sports Mode**

To enjoy driving ease without sacrificing sportiness, choose the smooth-shifting 5-speed automatic transmission. Its Sports Mode lets you shift up or down with a flick of the lever for sporty, manual-like driving pleasure (Intense model only).

**Paddle Shifters**

Sporty paddle shifters let you shift gears with a press - without removing your hand from the steering wheel. Paddle shifters available on A/T model only.

---

2.4-litre MIVEC Turbocharged DOHC DI-D High power

(135kW/3500rpm, 430Nm/2500rpm)

Note: 2.4-litre High Power Engine available for Intense/Black Line models.
Class-leading 5.9m turning radius

The turning radius is surprisingly small for a vehicle of this size, making the L200 especially easy to park and manoeuvre.

Quick, responsive handling

Steering is sporty and responsive, requiring less effort to turn.

All-terrain confidence

Because challenges come in all shapes and sizes, the L200 is designed to climb up, over, around and through the toughest terrain.

Driveability is improved both on and off the road.
Forward visibility has also been improved through refinements to the hood and wipers.
- Indicated angles are valid when 245/65R17 tyres, tube-type side steps and stylish-type rear step bumper are mounted.
- Departure angle is 25° without stylish-type rear step bumper.
- Indicated angles are also valid when 205R16C tyres are mounted without side steps (ramp break-over angle is 23° with side steps).

Super Select 4WD-II

Using the drive mode selector dial, you can switch from 2WD (2H) to 4WD (4H) with shift-on-the-fly convenience at up to 100km/h. When the going gets rough, lock the centre differential by entering the 4HLc setting for rugged terrain or the 4LLc setting for inclines, mud and snow (Intense model only).

Robust handling

The L200 is built for maximum stability and traction. Its rugged frame contributes to solid handling and its body is aerodynamically contoured for stable motorway performance. Reliable 4WD traction combines with an advanced suspension to keep you in touch with surface conditions so you stay in firm control.

Tough suspension

The rugged suspension features double wishbones with coil springs and a stabiliser bar in front, plus no-nonsense above-the-axle leaf springs in the rear for outstanding traction. The ride is stable and comfortable for all occupants. Equipment may vary by model.

Durable design & robust construction

In front, a more rigid engine compartment and double striker in the hood safety mechanism contribute to enhanced durability and safety. In the cargo bed, the rear corners are specially reinforced to disperse the force of impact when cargo shifts and prevent damage such as cracks in the side panels.

Durable design & robust construction

In front, a more rigid engine compartment and double striker in the hood safety mechanism contribute to enhanced durability and safety. Safety is not an option, it's a given

7 SRS airbags
In the event of a collision, seven SRS airbags help protect you and your passengers by absorbing the force of impact. The system includes front airbags, front side airbags, curtain airbags and a driver’s knee airbag.

Active Stability & Traction Control (ASTC)
ASTC independently regulates braking force to the wheels during cornering to help maintain excellent vehicle stability when needed. It also optimises traction to prevent loss of torque whenever wheel spin is detected by controlling engine output and applying brake force to the spinning wheels.

Trailer Stability Assist (TSA)
TSA increases stability when towing. If vehicle swaying is detected, it automatically controls engine power and the braking force at each wheel to stabilise the vehicle and trailer.

Lane Departure Warning System (LDW)
If you start drifting from your lane when travelling over 65km/h, the LDW system detects it via windshield camera and alerts you with an audible alarm and warning light.

Hill Start Assist (HSA)
When starting on a steep slope, HSA helps prevent you from rolling backwards while you release the brake by maintaining the braking force for up to two seconds until the accelerator is applied.

*Note: ASTC, TSA, LDW and HSA are supplemental only. Please drive safely and never rely solely on these functions while driving. Please see the owner’s manual for additional information.
Smartphone Link Display Audio

Enjoy the functionality, intuitive control and convenience of your mobile device with Apple CarPlay or Android Auto™. Before you start your journey, just connect your Android™ or iPhone to a USB port and control your favourite apps on the built-in 7-inch display touch screen. Smartphone Link Display Audio also offers handsfree phone and music functions via Bluetooth®, plays content from devices such as USB connected digital audio players, provides features such as AM/FM and DAB, and displays special L200 functions.

Apple CarPlay

Home Screen
CarPlay features Siri voice control to operate the navigation/maps, handsfree phone, and SMS while driving on or off-road.

Maps
Apple Maps gives you turn-by-turn direction and traffic conditions. Maps can also use the addresses from your email, text messages, contacts, and calendar events to help you get to where you are going next.

Music
Play your favorite artists, songs or playlists from your iPhone by using Siri. You can also enjoy the hit tune from Apps like Apple Music and Spotify.

Messages
No more texting or reading while driving because Siri can send, read, and reply to your text messages for you. Simply tell Siri what to do.

Phone
Siri will guide you if you want to make calls, return missed calls, and listen to voicemail while driving to your destination safely.

Android Auto™

Home Screen
Android Auto automatically brings you useful information, and organises it into simple cards that appear when they’re needed.

Maps
Let Google Maps™ take you to places you haven’t seen before. If you’re going where the mobile data is expensive, or you can’t get online, you can save an area from Google Maps to your phone in advance and use it when you’re offline.

Music
With on-demand access to 35 million songs, Google Play™ Music allows you to stream endless music on the road.

Phone/Messages
With Android Auto, you can make calls, check voicemails and send and receive text messages using your voice.

Apps
Android Auto makes it easy to access your favorite apps and contents in your car. Check out more Apps for Android Auto at https://g.co/androidauto.

Please note: In order to activate Android Auto™ or Apple CarPlay, the smartphone’s operating system (OS) must be Android 5.0 (Lollipop) or higher / iOS 8 or higher. Android Auto™ and Apple CarPlay may not work under weak or no network condition even in supported areas. Customer is responsible for all communication fees.

Rugged Reliability

The L200 is built tough to handle whatever challenges come your way.

Its ample storage capacity and durability are matched by handsome styling and spacious comfort that your travelling companions will appreciate. Streamlined styling also contributes to class-leading aerodynamics and a smooth, quiet ride.

Exterior Styling

Dark Chrome Grille

Chrome Door Mirror Housing

Bi-Xenon Headlights with LED Type Daytime Running Lights & Headlamp Washer

17” Alloy Wheels

Side Steps

Cargo Bed Inner Hooks

L200 Double Cab Business

2.4 litre Turbocharged DOHC DI-D Standard Engine
- 113kW (154PS) / 3,500rpm engine output
- 380Nm / 1500-2500rpm torque

Standard Features
- Multi-function Leather Steering Wheel
- Cruise Control & Bluetooth Connectivity
- Trailer Stability Assist
- Active Stability & Traction Control
- Hill Start Assist
- 7 SRS Airbags

Easy Select 4WD System
Switch from smooth 2WD (2H) highway performance to rugged 4WD (4H) traction while driving at up to 100km/h. Transfer torque to all four wheels with a flick of the drive mode selector dial in the 4H mode or by entering the 4L mode, which provides lower gear ratios and higher torque for slower speed driving in rough terrain.

Rear Differential Lock
Locking the rear differential minimises differences in rotation between the rear wheels to ensure robust traction even on sand, mud and rocky surfaces.

Note: Rear differential lock is available when switching between 4H and 4L modes (in Easy Select 4WD). Easy Select 4WD is available on the L200 Business model. Super Select is standard on the Intense & Black Line models. Vehicle must be stopped in Rear differential lock switching.

Note: Easy Select 4WD lets you shift between 2H and 4H modes at speed up to 100km/h. Vehicle must be stopped when switching between 4H and 4L. Please see the owner’s manual for additional information.

L200 Double Cab Black Line

The L200 Black Line has arrived to conquer the roads.

This special edition L200 features a unique black mesh grille, high gloss black finish door mirrors and handle details, 17” black alloy wheels, black rear step bumper, black side steps, black tailgate handle, black wheel arches and foglight bezels. Inside you’ll find a Keyless Operation System (KOS) along with all of the packed features of the ever popular L200 Intense model including a Smartphone Link Display Audio System (Featuring Apple Car Play and Android Auto™)

Exterior Colours
The L200 Black Line model is available in three exterior colours:
- Black Mica (X37)
- Pearl White (W54)
- Titanium Grey (U77)

For Fleet & Commercial Use
### L200 Double Cab 2.4 Di-D MIVEC 181PS 4WD 6MT AS&G Business

#### Exterior Styling
- 16” Steel wheels
- 17” Alloy wheels 225/65 R17 with Full size spare wheel
- Bi-focal headlamps with headlamp washers
- LED Type’s DRLs

OUTSTANDING AFTER SALES
FOR CAREFREE MOTORING

PEACE OF MIND AS STANDARD

While our vehicles enjoy a strong reputation for reliability Mitsubishi Motors Ireland proves this by providing a confident 5 Year / 150,000km (whichever comes first) warranty as standard on all light commercial vehicles.

If you sell your Mitsubishi vehicle before the warranty expires, you can even transfer it to the new owner making it even more attractive to buyers and helping you better maintain the car's value.

Warranty terms and conditions apply - see mitsubishi-motors.ie.

FREE ANNUAL VEHICLE HEALTH CHECK

Your Mitsubishi Motors Ireland warranty is strictly subject to the presentation of your vehicle to an authorised Mitsubishi Motors dealer in the Republic of Ireland at least once every year, or every 20,000 Kms, whichever comes first. The dealer must be given the opportunity to complete the mandatory Mitsubishi Motors vehicle health check when your vehicle is presented. The free annual vehicle health check can be completed independently of a service or it can be performed in conjunction with a scheduled service. Free Vehicle Health Check terms and conditions apply.

MITSUBISHI MOTORS GENUINE PARTS

Mitsubishi Motors Genuine Parts have been developed and tested to stringent quality standards. It is recommended to use Mitsubishi Motors Genuine Parts in order to maintain the safety and integrity of your vehicle and that of your passengers. Mitsubishi Motors Genuine Parts are available at all Mitsubishi Authorised Service Points. All Mitsubishi Motors Genuine Parts have a 2 year guarantee. Terms & conditions apply.

MAP – MITSUBISHI ASSISTANCE PACKAGE

In order to demonstrate our commitment to your mobility and the faith we have in the reliability of our vehicles, you will receive a free MAP card valid for 5 years with your new Mitsubishi. With MAP your mobility is guaranteed in more than 30 countries throughout Europe, should you ever need assistance in the event of breakdown, accident, theft or vandalism.

Wherever you are, 24 hours a day, 7 days a week – just call the number on your card and the problem will be fixed on the spot. If it's more serious, your car will be taken to the nearest Mitsubishi dealer and you'll be offered services such as a hotel, continuation of journey, a replacement car and vehicle repatriation.

Around 2,500 Mitsubishi Motors Authorised Service Points in Europe are committed to helping you wherever you are.
